Re: Unpermitted Gas Flaring and venting operations and unauthorized use of  
surface property. Parcel ID # 15281, Reeves County, Texas

Dear RRC of Texas:

It has come to my attention that there is an unpermitted gas flaring and venting  
operation going on my land for the past 12+ months. Here is the details of the  
Operator:

Maple Energy Holdings, LLC  
JUST CALL ME KEN BATTERY  
SEC 8, BLK C-18, PUBLIC SCHOOL LAND SURVEY, A-4959  
Reeves County, Texas  
In case of emergency call: 1-800-817-7555

I am extremely concerned about my land, safety of the neighbors, air quality and of  
the environmental effect of this kind of unpermitted gas flaring/venting operations. I  
understand that RRC has jurisdiction in regards to gas flaring under Rule 32. I  
request you to shut this illegal operation.

Sincerely,

  
Peter Shah

Good morning, Andie,

The subject gas flare/property is in Reeves County on County Road 411 in Pecos, TX 79772. I have attached a couple of pictures with name of the Operator and the Flare. The same is mentioned in the letter that you received. This flare was installed by the bankrupt MDC Reeves Energy, while in the bankruptcy. Now it is operated by the Maple Energy Holding, LLC. Please let me know if you need any more details.

I really appreciate your help in this matter.

Have a happy holiday!
